Background:

Vitalong Woman™ by **Forze Della Natura™** is an all-natural formula designed exclusively for women that targets perimenopause and menopause symptoms and offers safe and extremely effective results.

Scientists have identified specific herbal extracts — such as soy, wild yam, salvia and licorice — that help to maintain healthy hormone levels. Maintaining optimal hormone balance is essential for maintaining youthful appearance for any woman. Moreover, it is also essential for optimal health support during perimenopause and menopause. Vitalong Woman™'s proprietary formula is the most comprehensive all-natural solution for women that want to lead an active, healthy, attractive and beautiful lifestyle.

Key Features:

- Reduces hot flashes;
- Undermines mood swings;
- Alleviates insomnia and sleeping disruptions;
- Increases energy levels;
- Promotes sexual health and increases libido;
- Normalizes urinary functions;
- Improves quality of life.
