ZEAL MAGNITUDE AGILITY (ZMA)

Supplement Facts:

- Vitamin B6 (As Pyridoxine HCL);
Magnesium (As Aspartate);
Zinc (As Aspartate).

Background:

Zeal Magnitude Agility™ by **Forze Della Natura™** is synergistically compounded product that contains three key ingredients, i.e. Vitamin B6, Magnesium, and Zinc – that regulate cellular growth and tissue repair, promote immune system balance, activate natural testosterone secretion in men exposed to physically demanding challenges, provide electrolyte balance, increase energy and exercise recovery rates.

Key Features:

- Increases exercise recovery;
- Aids in the production of natural testosterone;
- Improves electrolyte balance;
- Increases energy and stamina in men exposed to physically demanding challenges.
